STATOTHR

1. Miss Carson, office of Rep. Anfuso, called to make appointment for [redacted] who has a microfilm device to demonstrate.

2. Dr. Chadwell and I discussed with the Director problems connected with the letter from Sen. McMahon, Chairman of the Joint Committee on Atomic Energy, for additional detailed information in connection with special intelligence. It was agreed that we should invite Sen. McMahon to CIA for a private briefing, together with Mr. Borden, if the Senator so desired. It was further determined to request the assistance of the Weapons Systems Evaluation Group of the Department of Defense in connection with the estimate requested.

STATINTL

3. The Director and I lunched with Sen. Benton of Conn., during which we discussed the problems connected with OPC. [redacted] of OPC was present.

4. Discussed with the Director the recent call of Mr. Wisner to Congresswoman Bolton regarding Psychological Warfare. The Director plans to discuss this matter with Mr. Wisner, whom he felt should not have talked with Mrs. Bolton.
